

# ALL-AMERICA LACROSSE

August 18, 2020

On July 29 Corrigan Sports Enterprises announced the shifting of its All-America lacrosse games to a regional format to comply with current COVID-19 safety guidelines and travel restrictions from states represented by the tournament's participants and teams.

The Junior Spotlight Showcase has been rescheduled for the new All-America championship weekend in the fall. The location and dates of championship weekend will be announced at a later date.

Junior Spotlight participants will play a minimum of two games and receive a gear package at event check-in. Video for all three games will be available to college coaches at no cost to the coaches.

At this time, no action is required by Junior Spotlight invitees. Once we lock-in the date(s) and location, we will send you an email about how to register if you are interested in participating along with more event details.

The initial wave of Junior Spotlight invites was issued to players listed below. Corrigan Sports will issue additional invitations in order to complete rosters. Additional invitations will be issued after the Junior Spotlight dates are announced, and the initial wave of invitees have the opportunity to confirm their participation. *Note: invitations for most goalie roster spots are sent late in our process.*

Junior Spotlight games are open to student-athletes in the graduating class of 2022 only. Players who made their respective Highlight team are not eligible.
